November 2016 Renault Clio, they look good in the white don't they and the pics tell you the bodywork is in fine order. That 1.5dCi engine again and the benefits from that include economy and well documented and proven reliability suitable for town and distance driving and of course Free Road Tax.

I drove this and it is driving 100% the low insurance group makes it a serious contender for a 2nd car or indeed a first car for the novice driver.
