We purchased this Skoda Fabia S 1.0L from an older gentleman who assured us, "I never use it," and we absolutely believe him! This car is in fantastic condition, with less than 35,000 miles on the clock. It's clear that the rear seats have barely been used, and the overall cleanliness of the vehicle is exceptional. Finished in brilliant white, the bodywork is in pristine condition, with no visible wear or damage. The Fabia S is renowned for its excellent fuel economy and low insurance costs, making it an ideal choice for a novice driver, a second car, or even for commuting and the school run.

The car comes with a valid MOT until November 2025, giving you peace of mind and hassle-free driving for years to come. Don't miss out on this fantastic opportunity to own a well-maintained, low-mileage Skoda Fabia S. Perfect for anyone looking for a reliable, economical, and stylish runaround.
