A 2015 2.0l Audi A3 Sport TDI, well looked after and low miles
This car and previous owner are well known to us. The car has been used daily this last 4 years but has driven only 10000 miles in that time.

The car is pristine and drives perfectly, we have serviced the car and we changed timing belt and water pump at 48000 miles. The car must be driven and we make that easy. Just call in any time for your test drive.

The current MOT expires in September and so this car is ready for the road.
