Please Note: there is an error in the listing, the car is 2015 Audi A3 2.0 L TDI and not a 1.6L. In Off White. This car and previous owner are well known to us. The car has been used daily this last 4 years but has driven only 10000 miles in that time.

The car is pristine and drives perfectly, we have serviced the car and we changed timing belt and water pump at 48000 miles. The car must be driven and we make that easy. Just call in any time for your test drive.

The current MOT expires in September and so this car is ready for the road.
