2017 Renault Kadjar Dynamique S Nav - A Class Act in Red

If you're after a mid-size SUV that delivers style, substance, and a seriously smooth drive, look no further than this 2017 Renault Kadjar Dynamique S Nav. Finished in vibrant red and powered by Renault's 1.2L TCE engine, this is proof that great things come in modest packages. With just 60,000 miles on the clock and a documented service history, it's a car that's been loved as much as it's been driven.

Renault's build quality shines here-lift the bonnet, and you'll see what we mean. Solid engineering meets everyday practicality, wrapped up in a design that feels premium without the premium price tag. And let's talk about that 1.2L petrol engine: don't let the size fool you. It's refined, responsive, and effortlessly smooth-a true joy on the road.

Tech Oh, it's got plenty. The upgraded R-Link touchscreen keeps you connected with DAB/FM/AM radio, seamless Bluetooth, USB, and AUX media streaming, and built-in sat-nav to guide you wherever you're headed. Add stop/start tech, climate control, cruise control, and a speed limiter, and you've got a car that's as easy to live with as it is to drive. Parking's a breeze too, thanks to front and rear sensors and onscreen parking assistance.

This well-maintained, economical Kadjar is ready to impress at just £7,495, complete with an MOT until October and our bulletproof warranty for worry-free ownership.

The real test The drive. Pop in, take the wheel, and see for yourself-you won't be disappointed. This one's a keeper.
