**£6,995**

### REAL CLASS AND A SMOOTH RIDE

This 2016 Renault Kadjar Dynamique Nav with the 1.5 dCi engine is a standout choice in the midsize SUV market, blending reliability, efficiency, and comfort in a way that few rivals can match. That 1.5 dCi unit really is one of the best in its class—proven, economical, and tough, with no compromises on fuel efficiency. The build quality of these Renault crossovers consistently impresses, delivering a smooth, composed ride that makes every drive relaxing and enjoyable. With 81,000 miles on the clock, this one is just hitting its stride, offering years of dependable service ahead. The comfort level is exceptional, whether you're navigating city streets or cruising on the motorway, and the £20 annual road tax is just the cherry on top, making the ownership proposition even more compelling.

Renault has equipped this model generously, with features like electric windows and mirrors, the upgraded R-Link infotainment system, and seamless connectivity via USB, aux, or Bluetooth, including full phone integration for calls and contacts. Parking sensors at both ends take the stress out of tight spots, while the built-in sat-nav, cruise control, and air conditioning make longer journeys effortless. The speed limiter is another handy feature, helping you avoid those frustrating urban speeding fines.

Beyond the tech and driving experience, this particular Kadjar presents beautifully—the bodywork is clean, free of major scrapes or dents, and those black alloys add a sharp, modern touch to its overall look. At £6,995, it's a fantastic deal for a car that drives this well, comes packed with features, and promises low running costs. If it's been properly maintained, there's no reason it won't keep delivering for many more miles. A dream to drive, easy on the wallet, and packed with smart extras—this Kadjar is a seriously smart buy.
