Mercedes A-Class A180d Sport 5dr Auto | Jan 2016

AUTOMATIC LOW MILES RELIABLE 1. 5DCI ENGINE

£9,995

For sale is a 2016 Mercedes A180 Sport Automatic, powered by the renowned 1.5 dCi engine-a unit I've long praised for its bulletproof reliability and efficiency. The fact that multiple manufacturers trust this engine speaks volumes, and here it is in a Mercedes, combining that dependability with premium German craftsmanship. With just 58,000 miles on the clock, this car is barely run in, promising years of smooth, trouble-free motoring.

The sleek silver exterior suits the A-Class perfectly, and this example is in excellent condition-no major scuffs, dents, or scrapes to speak of, just a clean, well-presented car that turns heads. But the real highlights here are the effortless automatic transmission and that unmistakable Mercedes cabin quality. Slide inside, and you're greeted by full leather upholstery, offering both comfort and sophistication, with the kind of refined seating only Mercedes can deliver.

The tech suite is comprehensive, as you'd expect-climate control, FM/AM radio, a CD player, and full smartphone integration with call logs and contacts. Every possible media connection is covered, and the built-in sat-nav ensures you'll never lose your way. For longer journeys, cruise control takes the strain off, while the speed limiter keeps you right in urban 30 zones, avoiding unnecessary fines.

But let's circle back to that 1.5 dCi engine-it's the heart of this car's appeal, delivering a blend of economy, durability, and just enough punch to make driving enjoyable. Paired with Mercedes' polished automatic gearbox and premium interior, this A180 Sport is a compelling package. It's a car that offers luxury, practicality, and peace of mind, all wrapped up in a stylish, low-mileage package. If you're after a premium hatchback that won't let you down, this one's hard to ignore even without the added bonus of £20 PA Road tax.

Miles:	58000
