

## Renault Captur 1.5 dCi 90 Dynamique S MediaNav Energy 5dr | Jul 2015

**VERY CLEAN GENUINE & RELIABLE MOTOR**

# £5,495

For sale is a 2015 Renault Captur 1.5L dCi 90 Dynamique S Medianav Energy, a car we know inside out-having sold hundreds just like it-and for good reason. These Capturs simply don't come back, a testament to their reliability, economy, and the smart tech packed into every one. This particular example stands out in the ever-popular Cream and Black two-tone finish, looking as sharp as the day it left the showroom. A closer inspection of the bodywork reveals no noticeable dents, scratches, or dings-just a well-kept car that's clearly been cared for. On the road, it drives beautifully, with that trusty 1.5 dCi engine purring along at 80,000 miles, ready to keep going for many more with the right care.

Step inside, and the cabin is impressively clean, a credit to its previous owner. One of the cleverest features in these Capturs is the removable seat upholstery-just unzip the covers and pop them in the washing machine at a moderate temperature, and they come out looking brand new. It's a lifesaver for families with little ones who might leave the occasional snack or juice box behind. But even without that trick, the interior is in great shape, as the photos show.

Where this car really shines is in its tech and comfort features. Electric windows and mirrors, air conditioning for those sweltering summer days, cruise control for relaxed motorway cruising, and a speed limiter to keep you right in 30 zones-it's all here. The Stop/Start system helps save fuel in traffic, while the push-button start adds a modern touch. Then there's the infotainment setup: AM/FM radio, every connection option you could need (AUX, USB, Bluetooth), and full phone integration with call logs and contacts. Even the satnav is on hand for when you're exploring unfamiliar roads.

<b>Miles:</b>	80000
