Here's a refined, flowing prose description that highlights the car's strengths while keeping it elegant and persuasive:

2014 Mercedes-Benz E220 CDI Estate - A High-Mileage Gem in Timeless White

This 2014 Mercedes E220 CDI Estate proves that true quality stands the test of time-and miles. Finished in the most desirable colour for this model, glacier white, it presents a commanding yet sophisticated presence on the road. With a robust 2.1-litre diesel engine delivering effortless torque and impressive efficiency, this E-Class has been a reliable workhorse, meticulously maintained as an ex-company car.

Now showing 192,000 miles, it may seem like a high figure at first glance-but one drive will convince you this is no ordinary high-mileage car. The engine remains smooth and responsive, the ride is quiet and composed, and the overall condition speaks to Mercedes-Benz's legendary engineering. The bodywork is straight and clean, the interior well-kept, and everything functions as it should.

Offered without warranty due to its mileage (a common hurdle for finance companies), this is a rare chance to own a premium estate at an accessible price-whether you're a trader looking for a solid resale proposition or a private buyer who appreciates a well-sorted car.

White suits the E-Class perfectly, accentuating its sleek lines and practical yet upmarket presence. If you're after a no-nonsense, high-quality estate that drives as well as it looks, this one won't disappoint. Don't let the odometer deter you-come and see for yourself why this E-Class is still a class act.
