REALLY CLEAN AND AUTOMATIC

A sophisticated blend of style, convenience, and cutting-edge technology, this 2019 Renault Captur 1.5 dCi GT Line represents a truly compelling opportunity for the discerning driver. Resplendent in a lustrous and eye-catching gold finish, complemented by the dramatic contrast of a factory-fitted black carbon roof, this vehicle possesses an immediate road presence that is both elegant and decidedly upmarket. This is no ordinary Captur; the GT Line badge signifies a heightened level of specification, which is immediately apparent in a cabin appointed with a superb suite of technology designed to inform, entertain, and protect.

The centrepiece is the large 7-inch Easy Link touchscreen infotainment system, which seamlessly integrates Android Auto, putting your smartphone's navigation and music libraries at your fingertips in a perfectly intuitive way. This is complemented by the crystal-clear functionality of a reversing camera, making parking manoeuvres an absolute cinch. Furthermore, your safety is prioritised with the inclusion of automatic emergency braking and traffic sign recognition, intelligent systems that work discreetly in the background to enhance driver confidence.

Under the bonnet, the proven and economical 1.5-litre dCi diesel engine is perfectly paired with the smooth, effortless shifting of an automatic (EDC) transmission, making it an utterly relaxing companion for any journey. With just under 30,000 miles on the clock, this low-mileage example has clearly been cherished.
